

# San Francisco Bay Area Council Commissioner Basic Training Saturday, 18 September 2010 YLTC, San Leandro, CA

On Saturday, 18 September, 2010, the Commissioner Basic Training Course will be presented to you free-of-charge in a full-day course. All three required of the sessions will be presented during the day. While this may seem like a long day, you will have the opportunity to complete the entire Commissioner Basic Training Course in a single day and have a lot of fun learning how to be an effective Commissioner. (No further sessions will be required, and you will have met the training requirement for the Commissioner's Arrowhead award.) You will also have these options:

If you cannot spend the entire day with us, you can elect to attend the sessions that you are able to. You will have to complete any remaining sessions in the future.

If you have already completed one or more of the sessions previously, you can elect to attend only your remaining sessions.

The training agenda and times will be strictly adhered to, so that you can schedule your arrival time (at least 10 minutes prior to the session starting time) for the courses that you want to attend.
