Greater Yosemite Council

W3-59-12-1

What is Wood Badge? In 1919 Lord Robert Baden-Powell developed and organized a training program for adult leaders that became known as Wood Badge. It is the advanced leadership training for adult leaders in any of the scouting programs. For most Scouters it's one of the highlights of their scouting careers.

Learn the secrets that all leaders know and use to make leading and team building easy and enjoyable. How? By attending Wood Badge, where these skills will be taught using the latest techniques in a troop setting, using the patrol method of developing leadership and team building skills. The training will be intensive, but **FUN!**

What type of Wood Badge course? This is a two 3 day weekend course that runs from Friday morning through Sunday afternoon to complete the full 6 days of program.
