### Outdoor Leader Skills for Webelos Leaders

Designed specifically for Webelos Den Leaders and their Assistants, the Outdoor Leader Skills for Webelos Leaders course teaches outdoor-related skills through demonstration and hands-on practice. Webelos Den leaders should attend this training before conducting Webelos overnight camping with the boys and parents of the Den. In addition to covering basic camping skills, this training features planning campouts and finding resources. Other Cub Leaders are welcome to attend.

### Introduction to outdoor Leader Skills

This training is to teach you the outdoor skills that a Boy Scout needs to achieve the rank of First Class. It also makes you comfortable teaching these skills to Boy Scouts, Team Members or Crew members so that they may participate in the BSA Outdoor Program.

Scoutmasters and Assistants as well as Varsity Coaches and Assistants must complete this training along with Scoutmaster Position-Specific Training or Varsity Vision to meet the "TRAINED" requirements for their positions.

Venturing Advisors and Associates, Troop, Team and Crew Committee Members, Interested Adults and Parents are also invited to attend this training to learn these skills.
