

If you want your BeAScout pin to reflect the fact that your Pack WANTS/IS READY to accept girls into the Unit:

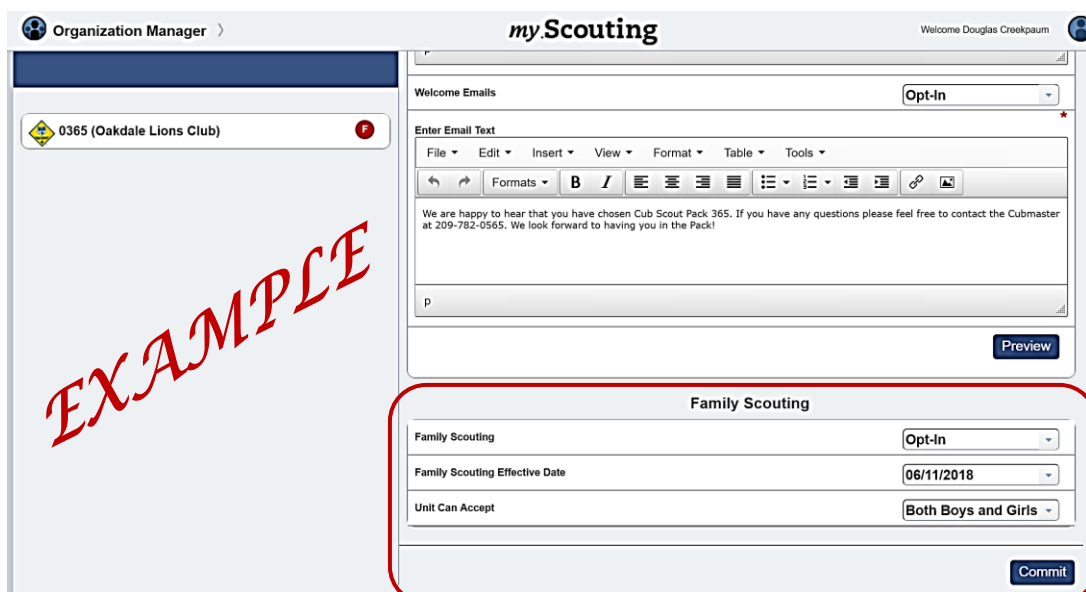

- I. Make sure your BeAScout pin is updated (managed by either Cubmaster, Chartered Org Rep or Committee Chair through my.Scouting.org)

For full instructions on managing your BeAScout Pin go to:

- II. Make sure the Family Scouting Settings are selected appropriately under Organization Manager Settings

The example above is from the Cubmaster of Pack 365 in Oakdale. If you'd like further suggestions from Doug you may e-mail him at dcreekpaum@gmail.com.
